Subject to change at the Landowner or Club Discretion:

The Areas R1 and R2 will be a live fire area during the event. No camping or parking in this area. Only when the range is closed can anyone go down range. Please follow all Range Officer's Directions and Commands.

Typically R1 is setup for Novelty Steel, Pistol and Trade Gun. Long Range Silhouettes, Paper and Trade Gun Birds will be in area R2.

The Yellow area is setup for RV camping with hookups; these spaces should be reserved as soon as possible. Space is limited. Modern tent camping should be behind the RV spots & well clear of the Live Fire Area. Please, ask if you have any questions.

The Orange and Green areas are for primitive camping only. Please save the green areas around the edge of primitive camp for the Trader's.

The Blue area is visitor and primitive parking area.
